DECISION / REMARKS OF THE PROCUREMENT COMMITTEE

- i. The committee further observed that **M/s Medical Equipment & System** quoted optional/additional prices along with their main quoted prices in Sub-Category A-2 (Aquilion-64 Slice Annual Service/Repair & Maintenance Contract) and Sub-Category B-2 (Alexion-4 Slice Annual Service/Repair & Maintenance Contract). The committee unanimously decided that such optional or additional prices shall not be accepted or considered for financial evaluation or comparison. Only the prices quoted strictly against each respective category/sub-category shall be considered for evaluation in accordance with the BSD, including all mandatory requirements of the TORs, SCC, and the full Scope of Work. Any additional, extra, supplemental, or optional offers from bidders shall stand rejected and shall not form part of the evaluation process.
- ii. After detailed deliberation, the Committee observed that the quoted prices—particularly for the Alexion 4-Slice CT Scanner Machine in both sub-categories (B-1 and B-2) are comparatively high, and the model offered is outdated.

Therefore, it was decided that, for the time being, the contract under Category B shall not be awarded.

Instead, a Sub-Committee (Assessment Committee) shall be constituted to evaluate the technical feasibility and cost-effectiveness of upgrading the existing Alexion 4-Slice CT Scanner to a 16-Slice or higher CT Scanner.

The Assessment Committee will submit its expert report and recommendations to the Hospital Procurement Committee / Chairman, Procurement Committee (Competent Authority), for a final decision.

- iii. After detailed examination and evaluation, the Procurement Committee resolved that the contract for the **64-Slice CT Scanner Machine**, covering both categories A(A-1 & A-2), be awarded to **M/s Healthtronic Pvt. Ltd.** The firm has been declared the **aggregated lowest successful bidder** in this category and is also the **lowest bidder on individual items**.
- iv. The minutes along with the Comparative Statement (Annex-A) will be uploaded on the EPAED portal for transparency and bidder information.

This decision has been taken in accordance with the applicable rules and regulations and is based on the unanimous recommendation of the Committee.

The meeting ended with a vote of thanks by the chair.
